## L'ALBA

Dear Reader, we present you two news. One is from our Murialdo illam community where our theology students are staying and there we have also a Boys Home [enjoy some photos]. Fr Varghese is the Superior and Fr Michael is the Director of the Boys home. Then we have a special greeting from our Beloved Fr Mariolino who is right now Doing his service in the province of Africa.

Dear confreres and friends of India, it is with great joy that I send you my greetings from the community of Ibadan in Nigeria. I have spent already almost three months here and everything is going very well, by God's grace! I have been warmly welcomed from both the confreres and the African people ... but this doesn't cancel anything of the beautiful experience I lived in India for almost 6 years! I really hope to come to see you again one day, God willing! There are many things different between India and Africa, but there are also many similar or identic aspects! The love I received in India is exactly like the one of Africa ... expressed symbolically with the two embraces of these photos!

Keeping you in my humble prayers, I ask you to do the same for me and I bless each one of you and your families! See you! *Fr. MARIOLINO*
